

## 2019 USA Curling Nationals Returns to Kalamazoo

USA Curling's National Championships will make a return to Kalamazoo, Mich., for the third time as the 2019 Nationals will take place at Wings Event Center. The weeklong national event features the top men's and women's teams in the country and helps determine Team USA for the subsequent World Championships. Kalamazoo, which hosted the 2015 and 2010 National Championships, will stage the weeklong championship at The Valley, an NHL-size ice arena with bleacher seating.
